Home and School Agreement

At Chellaston we have a supportive and friendly parent body. Our parents recognise that educating children is a process that involves partnership between parents, class teachers and the school community. As a partnership, our parents/carers will understand the importance of a good, working relationship to equip children with the necessary skills for adulthood. For these reasons, we welcome and encourage parents/carers to participate fully in the life of our school.

Our primary focus is to provide the best EYFS, key stage 1 and key stage 2 education for all our children in an environment where everyone is Kind, Ready and Safe and has the opportunity to learn about possibilities and diversity within our community and world and has the chance to work creatively.

As a pupil, I will	As a school we will be Kind, Ready and Safe by	As a parent/carers I will be Kind, Ready and Safe by
